

POWER OF ATTORNEY

We strongly recommend that you complete the “Power of Attorney-General” form. Once notarized, this form appoints someone to act on your behalf and conduct official and/or financial transactions such as accepting loans and scholarships, making necessary arrangements with your bank, and representing your interests with EAP advisors and UC staff. Before submitting the Power of Attorney form, make 3 photocopies.

- ✧ Give the original to the person who you granted power of attorney
- ✧ Give 2 copies to the Campus EAP office. (We will send a copy to Financial Aid)
- ✧ Keep a copy for your records
- ✧ If asked the type of notarization, you will need the “acknowledgment” NOT the “jurat”.
