

5 UCSB EAP- Housing Info & Survey
Sent: Thursday, June 14th

Dear UCSB EAP students,

We hope many of you have already started your housing search at UCSB! ALL STUDENTS: please fill out the following survey **by no later than Friday, June 22nd** so that we can assist those who still need to make housing arrangements: <https://goo.gl/forms/X3SR8MCBg3ff7iqp1>

Fall-Only Students

We encourage you to consider [Tropicana Gardens](#), as they offer quarter-length leases and include a meal plan. There may also be options for shared apartments in Isla Vista depending on your budget and preferences. Please fill out the housing survey above to give us more information to help place you in an apartment. Flyers for Tropicana Gardens pricing are linked below.

Fall+Winter Only Students

We STRONGLY encourage you to consider living in [Tropicana Gardens](#), as they are the only housing option that offers a Fall+Winter only contract. You may be able to find a shared apartment for Fall+Winter by connecting with other UCSB students, but this option is not likely. Do NOT sign a contract for a full year because it is extremely unlikely you will find a replacement in March/April. Flyers for Tropicana Gardens pricing are linked below.

Full Year Students (Fall, Winter, Spring)

Since you will be at UCSB for a full academic year, some apartment management companies are willing to offer a 9-10 month contract, instead of a 12-month contract. Some of these management companies include The Hive, Meridian, KAMAP, and Icon. Some information flyers for these management companies are linked below. You can also search for rental listings by visiting this site: <https://rentallistings.housing.ucsb.edu/>
Before signing any contract, please be sure to check with UCSB Community Housing to ensure your contract is valid (contact information below).

UCSB Housing Coordinators:

Jennifer Birchim: jbirchim@housing.ucsb.edu
Jessie Long: jclong@housing.ucsb.edu
Phone: 805-893-4371
