

8 UCSB EAP- UCSB Mandatory Education & Reminders

Sent: September 7, 2018

Dear UCSB EAP Students,

There's a lot to do, but you are so close! In this email you will find information about UCSB Mandatory Education and several reminders.

UCSB Mandatory Education

As a new student, you are required by UCSB to complete several workshops. You should have received this information by email to your UCSB [umail](#) account. If you did not, please check your umail account, all junk/spam folders, and if you have set up email forwarding check your personal email's junk/spam folders as well.

Sharing health and safety information and training is very common at most American universities; it is not meant to alarm you.

- **AlcoholEdu, Sexual Assault Prevention, and Diversity, Equity & Inclusion** (three online courses). Deadline to complete Part 1: **September 27**. After completing Part 1 you'll receive an email with instructions to complete Part 2 by late October.
- **Gaucha FYI** (in person in October). You must register for a session. An email will be sent to your umail account with registration instructions.

Please see the [UCSB Mandatory Education website](#) for detailed instructions and links to start the online courses and register for Gaucha FYI. **Missing a deadline will result in a registration block that will prevent you from registering for future classes.**

If you have any questions please see the [Frequently Asked Questions \(FAQ\)](#) or contact sa-newstudentreq@ucsb.edu.

Reminders

- **UC Student Health Insurance Plan (UC SHIP)**
If your *current* health insurance will cover you while you are studying at UCSB, then you may be eligible for a UC SHIP waiver. The deadline to submit a waiver is **September 14**. See our last email [7: Health Insurance, Immunizations, Payments](#) for details.
- **Online CALI Training**
You must complete the mandatory online CALI Training *before* you attend the in-person CALI Training on September 24. It covers many topics that will not be discussed in-person: <http://oiss.sa.ucsb.edu/programs/cali-training> (click on the one for EAP Students).
- **In-person CALI Training**
Your mandatory orientation starts at **9:00am Monday, September 24** at the Isla Vista (IV) Theater on Embarcadero Del Norte and Trigo Roads (quadrant F8 on the [campus map](#)), followed by a walking tour and lunch. Check in will be open from 8-9am to pick up a free EAP t-shirt and other welcome information. Please eat breakfast before you come, and wear comfortable shoes.
- **Class Registration**
Registration Pass 2 has ended, and you will not be able to make any changes to your class schedule until your Registration Pass 3 opens on September 10. You can find the exact time your Pass 3 starts and deadlines to add and drop classes in [GOLD](#) under Registration.

As you now know, classes fill up on a first-come, first-served basis so you need to be enrolled in at **least 12 units** and finalize your class registration as soon as possible and before classes start on **September 27**.

If you are still on a waitlist when classes start, you can try to “crash” the class by attending it. Instructors typically drop registered students who do not attend, and add students from the waitlist who do attend. I’ll send more information about crashing in a future email.

- **Immunizations**

If you have not yet submitted your immunization records to Student Health please do so immediately. If you need to you can receive some vaccinations after you arrive at UCSB. Information and instructions can be found here: <http://studenthealth.sa.ucsb.edu/medical-services/immunization-information>. **If your immunization requirement is not complete by mid-October your registration will be blocked.**

If you have any questions please contact SHSEntranceImmunizations@sa.ucsb.edu.

- **Housing**

If you haven’t secured housing you need to do so immediately. Refer back to our [Housing Info](#) email for advice and links.

All of our previous emails are posted on our [website](#) for easy reference.

If you have any questions please feel free to ask!

Best,
Adrienne
