

## J-1 STUDENT: ACADEMIC TRAINING REQUEST FORM FOR EAP RECIPROCIITY

**OVERVIEW:** Academic Training is a type of work authorization that is a benefit of J-1 college and university students. The purpose is to gain skills and training in their field of study, as well as further their cultural experience in the U.S.

The University of California, Santa Barbara Office of International Students & Scholars requires that all J-1 students complete this form and provide specific supplemental documents to apply for Academic Training authorization in order to be in compliance with the U.S. Department of State's guidelines for sponsoring a J-1 student.

Once the form has been completed, the student must submit this form and all supplemental documentation to OISS for processing and at least two weeks before completing their program of study.
