Step 2. Research & select EAP classes. Pick what courses you would like to take while abroad using these resources:

- Your Program Courses & Credits tab on the [UCEAP website](http://uc.eap.ucop.edu/) (uc.eap.ucop.edu/).
- EAP host university website (best source for current course info) and the [MyEAP Course Catalog](#), both accessed through your Program Courses & Credits tab. The MyEAP Course Catalog only shows courses taken by UCEAP students. These courses may not be offered when you are abroad and do not reflect UCSB department acceptance.
- Your department's advising page found on the UCSB EAP website (eap.ucsb.edu) under [Academics](#). Some UCSB departments ([Physics](#), [Economics](#), [Communication](#), [Math](#), [Psychology](#)) have links to pre-approved EAP courses.

Advice and tutorials on how to complete this form on the UCSB EAP website under [Academics](#).

Step 3. Make advisor appointments. Meet with your undergraduate major(s) advisor (and college advisor when appropriate) to discuss and sign this form.

- Double major?** → Meet with and get signatures from BOTH major advisors.
- Undeclared?** → Complete this form with the undergraduate advisor of your intended major.
- Minor?** → Planning to complete minor requirements abroad? Get a signature from your minor advisor.
- Fulfilling GEs?** → Meet with your College advisor.
- Graduating Abroad?** → Have this form signed by your **major** advisor **AND** your **College** advisor.
- Engineer?** → Have this form signed by your **major** advisor **AND** your **College of Engineering** advisor.

Step 4. Fill out this table.

BEFORE meeting with your advisors, select courses you wish to take according to the number of units required on your program. This will typically be 4-6 courses per semester. *Use two forms if necessary.*

Classes You Plan to Take Abroad. List extras as you may not know yet what will be available.						
Course Title <small>Students fill in this side (attach additional page if needed)</small>	Units	Advisor Assessment				
		Likely to be applied?				Advisor Comments:
		M1	M2	Minor	GE	

Step 5. Print syllabi/descriptions.

Bring syllabi/descriptions of any courses you wish to count for major or GE credit to your advisor meeting.

Step 6. Sign below with your advisor.

Copy for your records.

Step 7. Submit this form.

Submit with your application or by the due date on page 1.

I plan to graduate while abroad. Yes No Expected graduation (mo/yr): _____

If "yes," my College advisor has signed below. If going on EAP in a 5th year, you are expected to graduate abroad. If you receive financial aid, please check with the UCSB EAP financial aid officer that you will have sufficient funds.

I realize this is a planning form, not an enrollment form. I will register for classes at a later date and understand the courses above are not guaranteed to be offered. I also recognize that I must petition my department and/or college after I return (save syllabi!) and have received my grades should I desire any EAP courses to fulfill major, minor or GE requirements.
