BELGIUM & FRANCE: FIELD RESEARCH & INTERNSHIP PROGRAMS

Use the professional European workplace to gain language fluency, cultural understanding, and comparative knowledge in your chosen field. These programs begin with academic training, continue with an internship, and culminate in a research project. Note: Although you will apply initially to one of the three listed locations through UCEAP, in your application to the internship provider you will rank two locations in order of preference. You will be assigned to one of these two choices based on the best internship placement for you.
