

GERMANY: IMMERSION PROGRAMS IN BERLIN

Advisor: David Palm • david@eap.ucsb.edu • 805-893-3892 • www.eap.ucsb.edu • Drop-in Hours: Mon 10am-12pm, Tue 1:00-3:00pm, Thu 1:00-3:00pm

Collectively, host universities in Berlin offer courses in most UC majors. You will take regular university courses taught in German with German students and other international students. Each university has its own academic strengths (see below). You may be able to take one course in English. The universities are located in different parts of Berlin, and UC students typically commute to their host university campus via public transportation.

Free University Berlin

Located in Dahlem, a beautiful and tranquil neighborhood within easy reach of Berlin's downtown areas. The university has a center for recreational sports and a wide array of student organizations. The student population is about 32,000.

Academic strengths: American studies, art history, communication, comparative literature, economics/business administration, English, German, history, Latin American studies, linguistics, philosophy, political science/international relations, and psychology

Humboldt University Berlin

Berlin's oldest university, where major European thinkers such as Karl Marx and Albert Einstein studied and taught. The main campus is located in the Mitte neighborhood of central Berlin, a short walk from theaters, cinemas, museums, and galleries. The student population is about 33,000.

Academic strengths: African studies, American studies, Asian studies, anthropology, art history, communication, comparative literature, English, geography, German, history, linguistics, philosophy, psychology, sociology, urban studies, and women's and gender studies

Technical University Berlin

One of the oldest and largest universities of technology in Germany. The main campus is located in the Charlottenburg neighborhood, the heart of the "City West" area of Berlin. The student population is about 35,000.

Academic strengths: architecture, bioengineering, biology, chemistry, civil engineering, computer science, electrical engineering, environmental studies, materials science, math, mechanical engineering, and physics

Eligibility Requirements	Language Requirement	When
<ul style="list-style-type: none"> • 2.85 cumulative GPA and 2.85 language GPA at the time of application and maintained through departure • Junior or Senior standing by departure • German language (see next column) 	<ul style="list-style-type: none"> • Fall, Year, Spring: Minimum of 6 qtrs university-level German (or equivalent) • Pre-ILP + Fall, Year: Minimum 3 qtrs • Pre-ILP + Spring: Minimum 4 qtrs • Spring (Advanced Only): Minimum 7 qtrs 	Pre-ILP + Fall: mid July - <u>late March</u> Pre-ILP + Year: mid July - late July Fall: late August - <u>late March</u> Year: late August - late July Pre-ILP + Spring: late January - late July Spring: early March - late July Spring Advanced: late March - late July

All immersion program options (except spring "Advanced Only") begin with an Intensive Language Program (ILP), which is separate from the Pre-ILP.

What is the Pre-ILP? The Pre-Intensive Language Program (Pre-ILP) is designed for students who need additional German instruction to meet the program's language requirement. It is designed to provide second-year language proficiency. Estimated additional cost for Pre-ILP: \$5,200

NOTE: The German immersion academic calendar is very different from UCSB's academic calendar. Students who participate in the fall semester or Pre-ILP + fall semester will miss both fall and winter quarters at UCSB. Those who participate in the spring semester or Pre-ILP + spring semester will miss both winter and spring quarters at UCSB. Those who participate in the spring "Advanced Only" program will miss only spring quarter at UCSB.

Housing: Independent housing (typically a shared apartment) or university-owned dorm. Students find their own housing in Berlin.

Application Due Dates: Fall, Year, Pre-ILP + Fall/Year: February 13, 2019 | Spring, Pre-ILP + Spring, Spring Advanced: May 15, 2019

COST COMPARISON

	Total	Aug	Sept	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul		
UCSB Year	\$33,850			UCSB Year (\$33,850) [†]											
Option 1	\$32,250		Berlin Fall (\$20,950* / 26-32 UC qtr units)							UCSB Spring (\$11,300) [†]					
Option 2	\$28,750		UCSB Fall (\$11,300) [†]					Berlin Spring (\$17,450** / 26-32 UC qtr units)							
Option 3	\$36,850		UCSB Fall (\$11,300) [†]					UCSB Winter (\$11,300) [†]			Berlin Spr. Adv. (\$14,250** / 18-24 units)				
Option 4	\$34,150	Berlin Year (\$34,150* / 44-56 UC qtr units)													

[†] Based on the UCSB Financial Aid Office 2018-19 cost of attendance for undergraduate California residents living off-campus, rounded to the nearest \$50.

*Estimate based on UCEAP 2018-19 costs includes: UC tuition, program fees, pre-departure expenses (visa, etc.), round trip airfare, room & board, books, and other incidental expenses. Not included: Non-Resident Fees, \$240/quarter UC Student Health Insurance Plan (UC SHIP) if you have UC SHIP at UCSB. Fees listed are estimates and subject to change.

**Estimate based on UCEAP Spring 2018 cost

GERMANY: PROGRAMS IN ENGLISH

Advisor: David Palm • david@eap.ucsb.edu • 805-893-3892 • eap.ucsb.edu • Drop-in Hours: Mon 10am-12pm, Tue 1:00-3:00pm, Thu 1:00-3:00pm

In these programs, courses are taught in English (except German language classes) and you will study with UC and other international students.

Program	European Studies, Free Univ. Berlin (FU-BEST)	Int'l Summer School, Free Univ. Berlin	Engineering for Sustainability, Munich Univ. of Applied Sciences	Int'l Summer School, Technical Univ. Berlin	*NEW!* Global Summer Internship, Berlin
Highlights	Courses include field trips and site visits in and around Berlin. Extend from fall to spring and stay in Berlin for the year!	Courses include field trips and site visits in and around Berlin.	Hands-on approach to learning and focus on sustainability and green technology.	Develop skills for a future in engineering, urban design, architecture, business, or communications.	Participate in a full-time, eight-week summer internship in Berlin
Eligibility Reqs.	<ul style="list-style-type: none"> • 2.85 cum. GPA at time of application and maintained through departure • So, Jr, or Sr by departure • 0-5 quarters of university-level German before departure 	<ul style="list-style-type: none"> • 2.80 cum. GPA at time of application and maintained through departure • So, Jr, or Sr by departure 	<ul style="list-style-type: none"> • 2.85 cum. GPA at time of application and maintained through departure • Senior by departure • 3 yrs. of university-level coursework by departure, including engineering foundation courses 	<ul style="list-style-type: none"> • 2.85 cum. GPA at time of application and maintained through departure • So, Jr or Sr by departure 	<ul style="list-style-type: none"> • 2.50 cum. GPA at time of application and maintained through departure • So, Jr, or Sr by departure
When	Fall: late Aug - mid Dec Spring: early Jan-mid/late May	Summer: late July - late August	Summer: early July - early August	Summer: early July - mid-August	Summer: mid-June - mid-August
Courses	<ul style="list-style-type: none"> • Required German language study: either one non-intensive beginning course or two intensive consecutive courses • Two or three upper division courses in English on German and European history, politics, art, literature, and sociology 	<ul style="list-style-type: none"> • Earn 10 UC quarter units • Intensive German language course • OR two elective courses taught in English • OR one German language course and one elective course taught in English 	<ul style="list-style-type: none"> • Earn 12 UC quarter units • German language & culture course • Two engineering courses (mechanical, automotive, electrical) • OR one engineering course and one entrepreneurship course 	<ul style="list-style-type: none"> • Earn 10 UC quarter units • One two-week course. Examples: beg. German and Managing Innovations • One four-week course. Examples: Hands-On Satellite Design, Reimagining Berlin as a Smart City, and Startup Crash Course 	<ul style="list-style-type: none"> • Earn 9 UC quarter units • Full-time internship and integrated academic seminar • Internships with tech companies, NGOs, and multinational companies in communications, entertainment, culture, transportation, architecture, life sciences, and technology
Housing	Homestay in a private home or single occupancy apartment	Homestay in private home, single apartment, or single room in shared apartment	Youth hostel or shared apartment in downtown Munich	Dormitory with other participants in central Berlin	Dormitory with other participants in central Berlin
Est. Cost	Fall or Spring: \$18,700	\$7,900	\$9,350	\$7,850	\$9,700 (preliminary cost estimate)
App Due Dates	Fall: January 9, 2019 Spring: May 15, 2019	February 13, 2019	January 9, 2019 Spaces limited. Interview may be required.	January 9, 2019	January 9, 2019
