Students with Korean citizenship must apply for this program as a Korean citizen, even if they have dual nationality with another country. • Korean males can be subject to military service if they are 18-36 years old and have not satisfied their Korean military service requirement.
Coursework	<p>Coursework taught in English in various fields. The business school is highly ranked as are the departments of agricultural science, biology and biochemistry, chemistry, computer science, engineering, materials science, math, physics, and microbiology.</p> <p>The College of Business Administration is very competitive and some courses are restricted to business or economics majors only. The Colleges of Law, Medicine, and Dentistry are not open to undergraduate exchange students.</p> <p>Korean language study <u>NOT</u> available.</p> <p>Browse courses here. Fall semester is referred to as 2nd semester and spring is 1st semester.</p>	<p>Students enroll in 2-3 courses taught in English in humanities, social sciences, management and economics, East Asian Studies, and Korean Studies.</p> <p>A limited number of competitive research and business internships available. Most corporate internship providers require intermediate Korean language ability. If you participate in an internship, you may only enroll in one additional course.</p> <p>Korean language study available from beginning to advanced levels.</p> <p>Browse courses here.</p>	<p>Coursework taught in English in many fields, including business, economics, engineering, history, communications, literature, philosophy, political science, and sociology. Of particular note are offerings in Asian studies, Korean studies, and Korean language and literature.</p> <p>Korean language study available from beginning to advanced levels.</p> <p>With approval, students may be able to enroll in courses taught in Korean.</p> <p>Find the course catalogue and syllabi here.
