### United Kingdom - England: English Universities

Advisor: Adrienne Sifontes • adrienne@eap.ucsb.edu • 805-893-5662 • eap.ucsb.edu • Drop-in hours: Wed 10am-12pm, Fri 1-3pm

**Study:** Earn 21-24 UC quarter units (2-6 classes) per semester. Fully immerse yourself in British culture by attending one of twelve host universities in England. You will take your classes and live alongside local UK and international students. Internships, research, and independent study are possible at most universities (see table below).

**Course availability varies by university. See the Academic Offerings Guide to determine which universities offer certain subjects and any restrictions.**

**When:** (varies by university): Fall semester: mid Sept. to mid Dec. Spring semester: Jan. to late May - late June Year: mid Sept. to late May - late June

**Application Notes:** Rank at least 2 university preferences. Submit the UCEAP English Universities application online before 11:59pm on the deadline; submit only the Statement of Purpose and Academic Planning Form for your first choice university. You will receive instructions to submit a host university application online a couple months after the UCEAP application deadline. If you are not accepted to your first choice university, you will be notified to submit the host university application for your second choice, etc. Final placement is determined by the host university.

**Acceptance to King's, UCL, and Queen Mary is competitive; be sure to research and rank alternatives.**

**Application due dates:** Fall & Year 2021-22 programs: January 12, 2021 Spring 2022 programs: May 4, 2021

GPAs listed below indicate the minimum required cumulative GPA at the time of application and maintained through departure.

### How to Choose a University

- **What classes do you need/want to take while you are abroad?** Does the university offer classes in that subject during the term you’re going?
  
  First check the Academic Offerings Guide. Then, you may use the historical Gaucho Credit Abroad database to see what classes past UCSB students took abroad and what degree requirements they counted toward, or the historical UCEAP Course Catalog to see where past UC students have taken classes in your subject, but the best place to find the full, most current course list is the host university’s course catalog, which can be found on the UCEAP English Universities website by selecting a university and then “Academics”.

- **Do you want to study in a small or large university?** Are you interested in a small or large city?

  Students applying to London universities should be independent and prepared to navigate a fast-paced major city. Housing may be far from classes via public transportation. Living costs will be higher than other cities in England. Imperial College, King’s College, and University College London do not have centralized campuses. Placement at a London university is competitive. If you still want a big city experience, consider Manchester or Bristol.

### How Much Will it Really Cost?
If you are not already planning on taking summer classes, summer UCEAP costs will add significantly to your existing yearly academic costs. Please contact the UCSB Financial Aid Office at FinAidEAP@sa.ucsb.edu to request an estimate of your financial aid on a particular UCEAP program. You can only use whatever financial aid you have left after the academic year for summer programs, whereas if you go abroad during the fall, spring, or year, UCEAP costs substitute the cost of staying at UCSB and your financial aid is guaranteed to travel with you. There are also fewer scholarships available in summer. Please contact your EAP advisor for more information about program costs, scholarships, or how to fit a semester or year abroad into your existing graduation timeline.
