

## UNITED KINGDOM - SCOTLAND: SCOTTISH UNIVERSITIES

Advisor: Adrienne Sifontes • [adrienne@eap.ucsb.edu](mailto:adrienne@eap.ucsb.edu) • 805-893-5662 • [eap.ucsb.edu](http://eap.ucsb.edu) • [Make an appointment](#)

Fully immerse yourself in Scottish culture by attending one of three host universities in Scotland. Select courses from a wide variety of subjects. You will take your classes and live alongside local Scottish and international students.

Application Process: Submit the UCEAP Scottish Universities Application online by the due date. Several months later, you will be notified by the UCEAP Systemwide Office with links and special instructions to complete the Host University Application.

Program	Univeristy of Edinburgh	University of Glasgow	University of St. Andrews
Requirements	<ul style="list-style-type: none"> <li>• 3.0 cumulative GPA at the time of application and maintained through departure.</li> <li>• Junior, Senior</li> </ul>	<ul style="list-style-type: none"> <li>• 3.0 cumulative GPA at the time of application and maintained through departure.</li> <li>• Junior, Senior</li> </ul>	<ul style="list-style-type: none"> <li>• 3.2 cumulative GPA at the time of application and maintained through departure.</li> <li>• Junior, Senior</li> </ul>
When	<ul style="list-style-type: none"> <li>• Fall: Early September to late December</li> <li>• Spring: Early January to late May</li> <li>• Year: Early September to late May</li> </ul>	<ul style="list-style-type: none"> <li>• Fall: Early September to mid-December</li> <li>• Spring: Early January to late May</li> <li>• Year: Early September to late May</li> </ul>	<ul style="list-style-type: none"> <li>• Fall: Early September to late December</li> <li>• Spring: Mid-January to late May</li> <li>• Year: Early September to late May</li> </ul>
Coursework	21-24 UC quarter units; 3-6 classes per semester	21-24 UC quarter units; 2-5 classes per semester	21-24 UC quarter units; 2-4 classes per semester
Strengths are listed, many more subjects are available	Strong in: Anthro, Archeology, Architecture, Art History*, Art Studio, Bio, Business, Chem, Classics, Comp Sci, Earth Sci, Engineering, English*, Geography, History*, Law, Math, Music, Philosophy*, Physics, Psych, Religion, Social Work, Sociology. *Impacted 3rd year classes. Internships and reserach are possible.	Strong in: Archeology, Art History, Art Studio, Bio, Chem, Classics, Drama, Earth Sci, Education, Engineering, English, Film & Media Studies, Geog-raphy, History, Law, Politics, Public Policy, Psych, Religion, Soc. Spring or Year only: Comp Sci, Math, Stats. Internships and reserach are possible.	Strong in: Anthro, Art History, Bio, Business, Chem, Classics, Comp Sci, Earth Sci, English, Geography, History, Intl. Studies, Math, Philosophy, Physics, Politics, Psych, Religion, Social Policy, Sustainable Development. Reserach is possible with advance planning. Internships are possible for year-long students.
Housing	Guaranteed university housing if applied for with host university application: single rooms in residence halls or apartments, with or without meals. Private housing options.	Guaranteed university housing if applied for by the deadline: single rooms in residence halls, apartments, or houses, with or without meals. Private housing options.	Guaranteed university housing for year-long students if applied for by the deadline, semester students may have limited options: single rooms in university residence halls or apartments, with or without meals. Private housing options.
Location	Scotland's capital is a lively and easily navigable city with a large student population. It boasts old and new architecture, an active art and music scene, and bountiful outdoor activities.	Scotland's second biggest city is energetic yet down-to-earth and friendly. Students on a budget will appreciate its street markets, ethnic restaurants, tea shops, music scene, and performances.	Alma mater of Prince William & Kate, this picturesque coastal college town retains a medieval layout and ruins, and boasts a prestigious reputation. This small college is uniquely Scottish.
Application Due Date	Fall & Year 2021-22: January 12, 2021 Spring 2022: May 4, 2021		

### COST COMPARISON

	August	September	October	November	December	January	February	March	April	May	June	Year Total
UCSB Year		UCSB Year (\$34,250) <sup>†</sup>										\$34,250
Edinburgh Fall		Edinburgh Fall (\$16,700* / 24 UC qtr units)				UCSB Winter (\$11,400) <sup>†</sup>			UCSB Spring (\$11,400) <sup>†</sup>			\$39,500
Glasgow Fall		Glasgow Fall (\$16,400* / 24 UC qtr units)				UCSB Winter (\$11,400) <sup>†</sup>			UCSB Spring (\$11,400) <sup>†</sup>			\$39,200
St. Andrews Fall		St. Andrews Fall (\$17,400* / 24 UC qtr units)				UCSB Winter (\$11,400) <sup>†</sup>			UCSB Spring (\$11,400) <sup>†</sup>			\$40,200
Edinburgh Spring			UCSB Fall (\$11,400) <sup>†</sup>			Edinburgh Spring (\$18,900* / 24 UC qtr units)					\$30,300	
Glasgow Spring			UCSB Fall (\$11,400) <sup>†</sup>			Glasgow Spring (\$18,600* / 24 UC qtr units)					\$30,000	
St. Andrews Spring			UCSB Fall (\$11,400) <sup>†</sup>			St. Andrews Spring (\$19,300* / 24 UC qtr units)					\$30,700	
Edinburgh Year		Edinburgh Year (\$32,700* / 48 UC qtr units)										\$32,700
Glasgow Year		Glasgow Year (\$31,900* / 48 UC qtr units)										\$31,900
St. Andrews Year		St. Andrews Year (\$33,800* / 48 UC qtr units)										\$33,800

<sup>†</sup>Based on the UCSB Financial Aid Office 2020-21 cost of attendance for undergraduate California residents living off-campus, rounded to the nearest \$50.

\*Estimate based on UCEAP 2020-21 costs includes: UC tuition, program fees, pre-departure expenses (visa, etc.), round trip airfare, room & board, books, UCEAP Travel Insurance, and other incidental expenses. Not included: Non-Resident Fees (if applicable), \$325/quarter UC Student Health Insurance (UC SHIP) if you have UC SHIP at UCSB. Fees listed are estimates and subject to change

## UNITED KINGDOM- SCOTLAND: SPECIALIZED PROGRAMS

Program	<a href="#">Intern: Scotland</a>	<a href="#">Glasgow Science &amp; Engineering</a>	<a href="#">Pre-Med &amp; Life Science Research</a>
Requirements	<ul style="list-style-type: none"> <li>• 3.0 cumulative GPA at the time of application and maintained through departure</li> <li>• Junior, Senior</li> </ul>	<ul style="list-style-type: none"> <li>• 2.75 cum. GPA at the time of application and maintained thru departure</li> <li>• Sophomore, Junior, Senior</li> <li>• Physics for Engineering: Math courses required for the equivalent physics series at UCSB. Contact your college advisor.</li> <li>• Physics for Life Sciences: Math 2A-B, or 3A-B, or 34A-B with min. grades of C prior to departure.</li> </ul>	<ul style="list-style-type: none"> <li>• 3.0 cum. GPA at the time of application and maintained thru departure</li> <li>• Pre-Med/Research: Sophomore, Junior, Senior. Three university level biology classes prior to departure.</li> <li>• Research for Life Sciences: Junior, Senior. Must have completed 2nd year prior to departure. Knowledge of microbiological, molecular, and microscopy techniques recommended.</li> </ul>
When	<ul style="list-style-type: none"> <li>• Fall: early September to late December</li> <li>• Spring: early January to late May</li> </ul>	<ul style="list-style-type: none"> <li>• Summer: Mid-June to mid-August (8 weeks)</li> </ul>	<ul style="list-style-type: none"> <li>• Summer Pre-Med/Research: Late June to mid-August (8 weeks)</li> <li>• Summer Research for Life Sciences: Mid-June to late July (6 weeks)</li> </ul>
Coursework & Details	<p>24 UC quarter units; internship (8 units) and 2-4 classes (16 units total)</p> <p>Take 2-4 classes at the University of Edinburgh in a wide range of subjects with local and international students.</p> <p>Intern 12-15 hours/week at one of the following organizations. You may apply to multiple, but will only be offered one:</p> <ul style="list-style-type: none"> <li>• Political Party / Scottish Parliament: work with a Member of Parliament on constituent concerns, parliamentary motions, and national legislation. All majors welcome.</li> <li>• UN House Scotland: work on projects, events, and PR for UN agencies, civil society organizations, and charities. All majors welcome.</li> <li>• Dialexy at CodeBase: develop software to speed translation technology. Recommended for Computer Science majors.</li> <li>• Bright Ascension at CodeBase: work in space software technology. Recommended for Computer Science, Math, and Physics majors.</li> <li>• Euan's Guide at CodeBase: work in communications and marketing for a charity disability accessibility review website. All majors welcome.</li> </ul> <p><i>CodeBase is a tech incubator comprised of 100 start-up companies</i></p>	<p>12 UC quarter units; 2 classes</p> <p>Take classes with other UC students at the Univ. of Glasgow. These are intensive programs. Choose 1 track:</p> <ul style="list-style-type: none"> <li>• Physics for Engineering: Discuss the <a href="#">course description</a> with your major / physics advisors to determine equivalency.</li> <li>• Physics for Life Sciences: Satisfies Physics 6 A-B-C and 6 AL-BL-CL. See the Summer Physics flyer for details.</li> </ul> <p>All tracks include a traditional Ceilidh celebration and two excursions to Scotland's most loved destinations such as Edinburgh, the Highlands, or Lock Lomond.</p>	<p>Choose 1 track with other UC students at the Univ. of Glasgow:</p> <p>Pre-Med/Research: 12 UC quarter units; 1 class + research class.</p> <ul style="list-style-type: none"> <li>• Take Functional Anatomy in the first 4 weeks, then work on one of the research topics below.</li> </ul> <p>Research for Life Sciences: 10 UC quarter units; research class only. Research topics:</p> <ul style="list-style-type: none"> <li>• Mesophiles and thermophiles in the urban environment.</li> <li>• Bacteria in fresh water: a record of past pollution.</li> <li>• Caenorhabditis elegans as a model for genetic screens.</li> <li>• The reliability of Daphnia as a model to study autonomic control of heart rate.</li> </ul> <p>All tracks include a traditional Ceilidh celebration and two excursions to Scotland's most loved destinations such as Edinburgh, the Highlands, or Lock Lomond.</p>
Housing	University housing: single rooms in residence halls or apartments, with or without meals.	Single room in on-campus apartments of 2-5 people. Meal plan on weekdays is included. Bedding and kitchenware are included.	Single room in on-campus apartments of 2-5 people. Meal plan on weekdays is included. Bedding and kitchenware are included.
Application Due Date	<p>Fall 2021: January 5, 2021</p> <p>Spring 2022: May 4, 2021</p> <p>There are limited spaces available. Final acceptance/ placement is determined by the employer. If not offered an internship you will be offered full time enrollment at the University of Edinburgh (see Scottish Universities on reverse)</p>	<p>Summer 2021 Physics for Engineers: January 5, 2021</p> <p>Summer 2021 Physics for Life Sciences: submit the Preliminary Form, available <a href="#">here</a> between 7am Nov. 2 - 11:59pm Nov. 30, 2020. Limited spaces, filled first-come, first-served. See Summer Physics flyer.</p>	<p>Summer 2021 Pre-med/Research: Cancelled</p> <p>Summer 2021 Research for Life Sciences: January 5, 2021</p>
Estimated Cost*	See Cost Comparison below	\$13,900*	Pre-Med/Research: \$14,900* Research for Life Sciences: \$13,300*
