| City and University | Brisbane: The capital city of the state of Queensland, is located in the tropical northeast on the Pacific. Home to hundreds of nationalities and over 200 languages, Brisbane is one of the most multicultural cities in Australia. It is also its greenest city in the country. 

The University of Queensland (UQ): Is one of Australia's premier research institutions. Well respected for high-quality research and coursework. | Canberra: the capital of Australia, is an urban city located in the Australian Capital Territory. The city is the seat of federal government and home to most embassies and major cultural and governmental institutions. It is clean, full of cultural attractions and eateries, and buzzing with governmental and diplomatic action. 

Australian National University: Has the feel of a small university town and the campus is renowned for its natural setting and thousands of trees. | See the "Multi-Site" comparison sheet for details. This multi-site program splits the term between Brisbane and Honiara. |
| Program Features | Field study at the Heron Island Research Station on the Great Barrier Reef and the Moreton Bay Research Station
Conduct your own research project and learn how to write-up your results in an academic paper. Gaining fieldwork & research experience
Take courses with UC students only | Program will be invaluable to preparation for a career in global security, foreign policy, international intelligence, diplomacy or NGOs.
Competitive internship in International Security studies in the Australian capital. Students not successful in securing ANIP internship are required to undertake a student-initiated research project on a topic related to International Security | |
| Coursework | Marine Biology (13 UC quarter units)
Human and Terrestrial Ecology ( 8 UC quarter units)
21 UC Quarter Units | 1 ANIP internship or student-initiated research project.
2 Courses from the ANU International Security Studies list.
1 Course from any department at ANU
24 UC Quarter Units | |
| Housing | Students will be assigned to a homestay with an Australian family. During field activities, they will live at a field station. | Students secure their own housing within university affiliated accommodations. | |
| Cost Estimate | Fall: $22,985*
Spring: $22,985* | Fall: $21,880*
Spring: $19,800* | Spring: $24,060* |
| Application Due Date | Fall: March 1, 2023, first-come, first-served
Spring: May 9, 2023, first-come, first-served | Fall: February 7, 2023
Spring: May 9, 2023 | Spring: (cancelled) |

| City and University | Melbourne: One of the most livable cities in the world, culturally diverse city about a mile north of its central business district.  
The University of Melbourne: you can experience the full depth of local life and culture in classes with Aussie students. Expand on your major with exciting interdisciplinary classes. In addition to courses for some 100 majors, the university offers a number of interdisciplinary programs. A hub for biomedical research and biotech companies, students can participate in science and technology internship. | Sydney: Australia's largest city, Sydney is reminiscent of San Francisco and hilly streets. Some of the finest surf and beaches in Australia are near Sydney, and it is Sydney Harbour, with its famous Opera House and Harbour Bridge.  
University of New South Wales: offers a unique focus in the scientific, technological, and professional disciplines. Has a unique focus in the scientific, technological, and professional disciplines. Has a unique focus in the scientific, technological, and professional disciplines. Has a unique focus in the scientific, technological, and professional disciplines. | Brisbane: The capital city of the state of Queensland, is located in the tropical northeast on the Pacific. Home to hundreds of nationalities and over 200 languages, Brisbane is one of the most multicultural cities in Australia. It is also the greenest city in the country.  
The University of Queensland: one of Australia's premier research institutions. Well respected for high-quality research and coursework, UQ has a strong reputation for global student exchange and welcomes students from around the world to study, research, and fulfill their personal and professional objectives. UQ has three campuses and more than 40 teaching and research facilities in the area. You'll have access to remote research stations, diverse natural environments, including the Great Barrier Reef, and museums spanning from anthropology to Aboriginal art. |
| Estimated Cost | Fall: $22,610  
Spring: $20,685* | Fall quarter: $17,805†  
Spring semester: $20,885* | Fall: $22,360
