Collectively, host universities in Berlin offer courses in most UC majors. You will take regular university courses taught in German or English with German students and other international students. Courses taught in English are offered in select subject areas. Each university has its own academic strengths (see below). The universities are located in different parts of Berlin, and UC students typically commute to their host university campus via public transportation.

**Free University Berlin**
Located in Dahlem, a beautiful and tranquil neighborhood within easy reach of Berlin's downtown areas. The university has a center for recreational sports and a wide array of student organizations. The student population is about 32,000.

*Academic strengths:* American studies, art history, communication, comparative literature, economics/business administration, English, German, history, Latin American studies, linguistics, philosophy, political science/international relations, and psychology.

**Humboldt University Berlin**
Berlin's oldest university, where major European thinkers such as Karl Marx and Albert Einstein studied and taught. The main campus is located in the Mitte neighborhood of central Berlin, a short walk from theaters, cinemas, museums, and galleries. The student population is about 33,000.

*Academic strengths:* African studies, American studies, Asian studies, anthropology, art history, communication, comparative literature, English, geography, German, history, linguistics, philosophy, psychology, sociology, urban studies, and women's and gender studies.

**Technical University Berlin**
One of the oldest and largest universities of technology in Germany. The main campus is located in the Charlottenburg neighborhood, the heart of the “City West” area of Berlin. The student population is about 35,000.

*Academic strengths:* architecture, bioengineering, biology, chemistry, civil engineering, computer science, electrical engineering, environmental studies, materials science, math, mechanical engineering, and physics.

### Eligibility Requirements
- 2.85 cumulative GPA at the time of application and maintained through departure
- Junior or Senior standing by departure
- German language (see next column)

### Language Requirement
- Fall, Spring, Spring w/o ILP, Year: 0 qtrs but minimum of 6 qtrs university-level German (or equivalent) if taking courses in German
- Fall incl Pre-ILP, Year incl Pre-ILP: Minimum of 3 qtrs university-level German or equivalent

*Based on the UCSB Financial Aid Office 2022-23 cost of attendance for undergraduate California residents living off-campus, rounded to the nearest $50.

*Estimate based on UCEAP 2022-23 cost includes: UC tuition for students who entered UC fall 2021 or earlier (other students must determine their costs based on the cohort-based tuition for the year they entered UC), program fees, pre-departure expenses (visa, etc.), travel insurance, round trip airfare, room & board, books, and other incidental expenses. Not included: Non-resident fees and $33B/quarter UC Student Health Insurance Plan (UC SHIP) if you have UC SHIP at UCSB. Fees listed are estimates and subject to change.

**Estimate based on UCEAP 2021-22 cost.**

### Application Due Dates
- Fall, Year, Fall/Year incl Pre-ILP: February 21, 2023
- Spring, Spring without ILP: May 9, 2023

What is the Pre-ILP? The Pre-Intensive Language Program (Pre-ILP) is designed for students who need additional German instruction to meet the program's language requirement to take courses taught in German. It is designed to provide second-year language proficiency. There is an additional cost for the Pre-ILP options.

**NOTE:** The German immersion academic calendar is very different from UCSB's academic calendar. Students who participate in the fall semester or fall semester incl. Pre-ILP will miss both fall and winter quarters at UCSB. Those who participate in the spring semester will miss both winter and spring quarters at UCSB. Those who participate in the Spring without ILP program will miss only spring quarter at UCSB.

**Housing:** Independent housing (typically a shared apartment) or university-owned dorm. Students find their own housing in Berlin.

**Academic strengths:**
- Economics and Business Administration
- Engineering (Civil, Electrical, Computer, Environmental, Materials Science, Mechanical, Physics)
- Mathematics
- Philosophy
- Psychology
- Sociology
- Urban Studies
- Women's and Gender Studies
