Amman, the multicultural capital of Jordan, offers a vantage point within the Middle East for studies in Arabic language, culture, history, diplomacy, policy, and more. Evolved from some 5,000 years of history, Jordan plays a fascinating and important role in international relations, current Arab-Israeli affairs, migration and regional humanitarian efforts. Experience-based options such as a homestay with a Jordanian family, special cultural events, activities and volunteer opportunities expand your knowledge of Jordan and the Middle East region.

Students on this program must be able to accept certain travel restrictions. Travel to specified areas must be avoided and students are expected to closely follow all safety and security regulations and guidelines established by UCEAP, CIEE, and the U.S. Department of State.
