Program

- UCSB students will study Physics at the University of Sussex in Brighton, UK-England. See page 2 for location details.
(Other locations and tracks are NOT approved for UCSB students).
- 8 weeks from late June through mid-August 2022.
- Fulfills Physics 6 A-B-C and 6 AL-BL-CL.
- 12 units, 2 physics classes each 4-weeks long. Must be taken for letter grades.
- Intensive full-day classes Monday-Friday that include lectures, labs, and workshops or seminars. Reserve travel for weekends or after the program ends.
- Classes are with UC students only. There will be students from other countries on campus and in the dorms.

Eligibility

- 2.5 cumulative GPA at the time of application and maintained each quarter until departure. New freshmen and transfers without UCSB GPAs may still apply; your fall quarter grades will be used to confirm your eligibility.
- Prerequisites: Math 2A-B, or 3A-B, or 34A-B with grades of C or above by time of departure, or equivalent AP or IB calculus coursework.
- Sophomore, Junior, or Senior standing by time of departure (completion of at least 45 units).

How to Apply

- **This program is no longer impacted and is no longer filled first-come first-served. All eligible applicants can be accepted!**
- You may only apply for one summer program.
- Start an application at my.uceap.universityofcalifornia.edu
- Applications are due by **11:59pm Tuesday, January 4, 2022.** You may submit your application without the Academic Planning Form (which requires the signature of your major advisor), and upload it to your UCEAP application separately later by March 1, 2022.
- All applicants will receive an acceptance decision by the end of January.
- Participants may withdraw without fees by April 1, 2022 by emailing adrienne@eap.ucsb.edu specifying their reason for withdrawing.

COVID-19

Currently, UCEAP Summer 2022 programs are scheduled to run as planned. Given the fluidity of COVID-19, we cannot guarantee that your program will run. If there are any changes applicants will be notified immediately. We recommend creating a backup plan to complete your physics requirements in case your program is cancelled, such as enrolling in UCSB Summer Session.

Location	<p>Just an hour south of London, the University of Sussex is surrounded by rolling green English countryside near the city of Brighton. Locally known as London by the Sea, Brighton offers a vibrant nightlife, arts festivals, al fresco lifestyle, and great shops.</p> <p>Brighton's bohemian atmosphere lures a youthful, eclectic crowd to the seaside city. Feel free to indulge in your particular brand of strange. Be prepared to run across zombies, naked bike riders, or a disco-dancing 80-year-old on any random day. The evenings are epic. Concert halls, comedy clubs, and packed nightclubs fill the laidback university town. Brighton runs festivals throughout the year, showcasing pride, music, arts, and more. Foodies aren't left out—pop-up kitchens, and vegetarian fare add variety to the city's thriving restaurant scene. Find your inspiration and cultivate a Brighton state of mind.</p> <p>What to do in Brighton</p> <ul style="list-style-type: none"> • Live music venues: Discover new music or enjoy a favorite genre in Brighton's dynamic music scene. • The Lanes: Hunt down treasures in the twisting alleyways dotted with quirky boutiques, antique shops, and cafés. • Brighton Beach and Seafront: Soak up the summer sun along the pebbled beach or promenade before wake boarding or dancing at a buzzing nightclub. • Royal Pavilion: Spend a summer day at the exotic seaside palace to get some history and Regency dazzle. Then relax in ornate gardens while listening to the music of buskers. • Palace Pier: Play your favorite carnival game, scream on an amusement park ride, and climb the observation tower for an unforgettable Instagram snap at the famous pier.
Housing	Live on campus in pre-reserved dorm rooms in the newest on-campus dormitory, called Northfield Flats. Each student has their own room and private bathroom, in a flat of 5-8 people, a mix of UC and international students. The residence has a large communal space for watching television, studying, and socializing as well as on-site laundry facilities. You'll share a dining space and kitchen with a cooktop, microwave, refrigerator, freezer, and teakettle. The building has stairs but no elevators. Bed linens and towels are included.
Meals	£80/week meal plan should cover you Monday-Friday. Buy or cook your own additional meals.
Activities	<p>Hundreds of students from around the world will be on campus with you!</p> <p>Included: Train station pick-up, welcome party, gym access, and various social activities.</p> <p>Optional free or fee-based events and weekend trips are available such as the wondrous beauty of Stonehenge, see a moated castle built for a knight, trek the green countryside of beautiful England, or stroll the white-chalk cliffs of the Seven Sisters.</p>
Total Estimated Cost	<p>\$13,950</p> <p>Estimate based on UCEAP 2021 costs are rounded to the nearest \$50 and includes: UC tuition, program fees, pre-departure expenses, round trip airfare, housing, food, books, travel insurance, included activities, and other incidental expenses. Fees listed are estimates and subject to change.</p>
