UNITED KINGDOM- SCOTLAND: SUMMER

uceap.universityofcalifornia.edu/programs

Emily Tom-Atzberger • emily@eap.ucsb.edu • 805-893-5661 • SAASB 2201 • [Appointments: eap.ucsb.edu/people/staff](https://eap.ucsb.edu/people/staff)

Program	Summer in Scotland - NEW!	Summer Research in Glasgow
Requirements	<ul style="list-style-type: none"> • 2.7 cumulative GPA at the time of application and maintained through departure • Sophomore, Junior, Senior 	<ul style="list-style-type: none"> • 3.0 cumulative GPA at the time of application and maintained through departure • Junior, Senior (completed at least 2 years of undergrad) • Biology, Chemistry, Art History, History, or related majors or minors only
When	• Summer: Early July - early August (4 weeks)	• Summer: Mid-June to late July (6 weeks)
Coursework & Details	<p>9 UC quarter units; 2 upper-division classes</p> <p>Take classes on various aspects of Scottish culture with students from around the world at the University of Stirling. Classes run Monday to Wednesday, with excursions on Thursday or Friday. Letter grades only.</p> <p>Summer 2024 classes: Crime and Justice in Scotland - The Criminal in Scottish Society, International Relations, Witchcraft in Early Modern Scotland, Junkies and Jezebels - Scotland and Gender, Monsters and Vampires - The Impact of British Gothic on Contemporary Popular Culture, Scotland the What? Contemporary Scottish Literature and Identity, and Scotland on the Screen.</p> <p>All students are welcomed with an orientation program, and sent off with a traditional farewell Ceilidh celebration. A wide range of social activities are offered, including day trips to Edinburgh, Glasgow, and St. Andrews. Shuttle service to and from Edinburgh and Glasgow international airports is included.</p>	<p>9 upper-division UC quarter units; research only.</p> <p>Conduct full-time research M-F 9am-5pm with a professor at the University of Glasgow with other UC, international, and local students. Each participant will work on an individual research sub-topic within a larger research community of undergrad, masters, and PhD students. Report your findings through a mock conference presentation and written report. Biology and Chemistry majors will conduct research in labs with weekly interdisciplinary research seminars. History majors will have access to the largest research library in Europe and free access to archives, museums, and galleries, and will be trained in handling resources. History majors will have weekly project meetings and interdisciplinary research seminars.</p> <p>Indicate your top 3 research topics in your statement of purpose. See research topics available by clicking on the program page link above in the title, then select Academics. In May, participants will receive some required reading (minimal) to complete before the program starts.</p> <p>All students are greeted with an airport pickup, and will participate in a traditional Ceilidh celebration and two excursions to Scotland's most loved destinations such as Edinburgh, the Highlands, or Lock Lomond.</p>
Housing	Single room with private bathroom in on-campus apartment. No meal plan. Bedding, kitchenware, and sports center access are included.	Single room in on-campus apartments of 2-5 people. Meal plan on weekdays is included. Bedding, kitchenware, and sports center access are included.
Location	<p>The University of Stirling campus is considered to be one of the most beautiful in the world and is ranked number one campus environment in the UK and top 3 in the world (International Student Barometer 2022). With their own lake (loch), 18th-century castle, and views of the Wallace Monument, the campus offers a tranquil, welcoming environment and is one of the safest campuses in the UK.</p> <p>The city of Stirling offers students a unique blend of Scottish history and contemporary culture. Almost 100,000 people from all over the world call Stirling home – and the city's friendly atmosphere and rich variety of shops, bars, restaurants and things to do make it a fantastic place to spend your summer.</p>	Scotland's biggest city of Glasgow is energetic yet down-to-earth and friendly. Students on a budget will appreciate its street markets, ethnic restaurants, tea shops, music scene, and performances.
