

## YEAR PROGRAMS that COST LESS than STAYING at UCSB

Estimated costs are based on UCEAP 2023-24 costs, subject to change and include tuition for students who entered UC fall 2022 (other students must determine their costs based on the [cohort-based tuition](#) for the year they entered UC), program fees, airfare, housing, meals and other expenses for the program.

Info accurate as of 9/12/2023. Check the [UCEAP website](#) for the most up-to-date information

Costs stated below are for CA residents.

Non-CA residents pay UC Nonresident Supplemental Tuition of \$31,026 (varies based on cohort-based tuition) in addition to the estimated costs below. For some programs, the total cost for Non-CA residents may cost less than staying at UCSB.
